BINARY COMMISSION

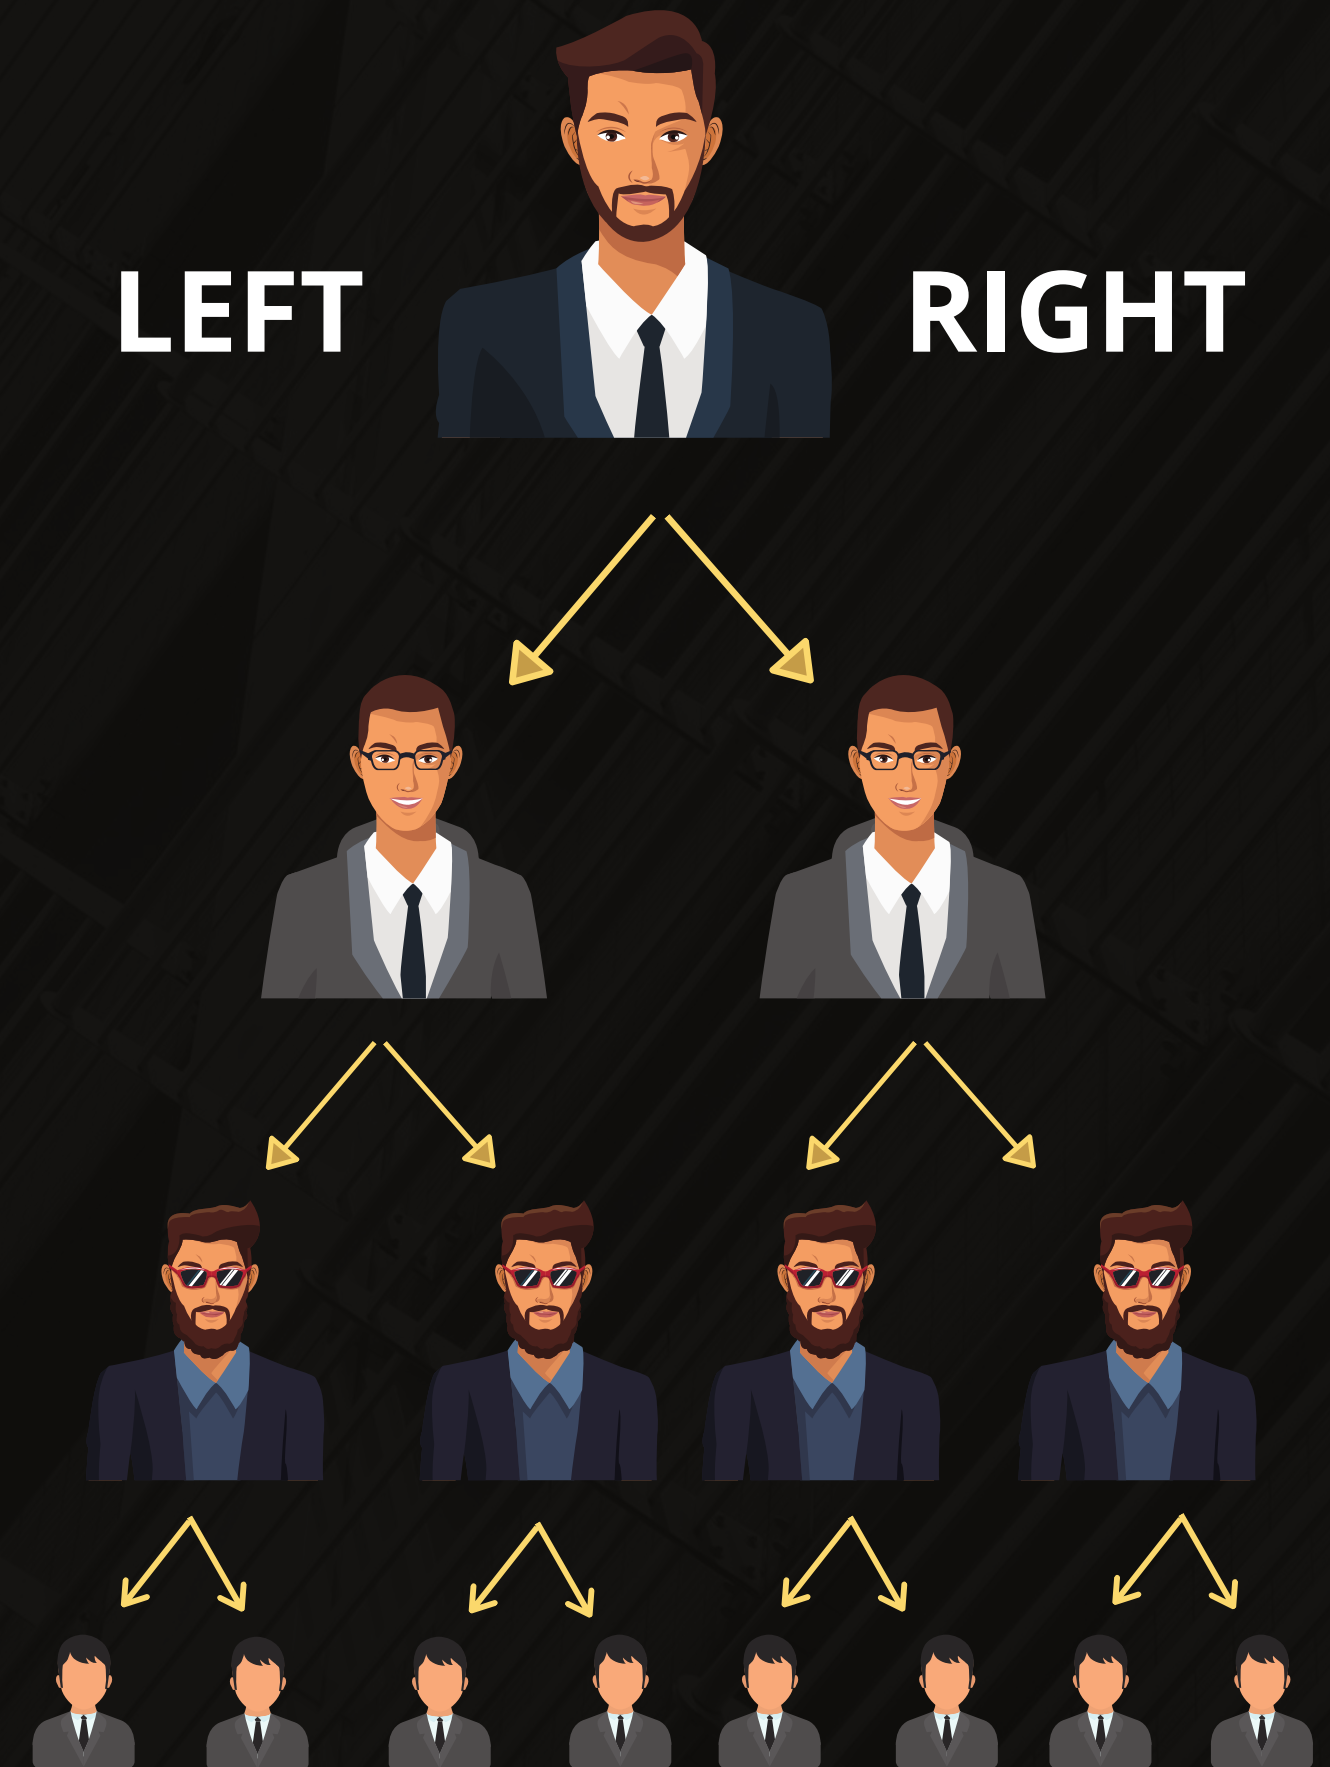

- Used by the jumbo ticket affiliate program a binary network of referrals is where a user is allowed to have two users directly connected to him, the left leg and right leg of the binary network.
- Each referral after the first two will form the two legs, depending on which side of the network the user decides to put them.
- Based on a 1:1 balance between the two legs, the users get a 10% commission on the weaker side.

10%

BINARY NETWORK

With Jumbo Ticket you can earn 10% Binary commission on the referrals of your downline. Binary commission is calculated for every day, based on 1:1 balance between the business volumes of your legs. You get 10% from the weaker side of the binary leg. For Example:
